

REMARKS

The applicant respectfully request the admittance of this amendment, to place the claims in a better condition for allowance or appeal. Claims 1 and 6 are amended to delete the word "the" from the term "images", because "the images" lacked a proper antecedent basis. The Applicant respectfully suggests that this amendment adds no new matter, and does not require an additional search.

If any points remain in issue that may best be resolved through a personal or telephonic interview, the Examiner is respectfully requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Robert M. McDermott, Esq.
